

# Your progress, and everyone's

## *“la Caixa” Foundation is launching a postdoctoral fellowships programme*

There are people who, thanks to their hard work and dedication, are destined to achieve great things in life. People like you that place all your talent at the service of others every day and are a great inspiration to society.

Now, so that you can reach your full potential and acquire the training that will position you as a leader, the **“la Caixa” Foundation Junior Leader fellowships programme** has been created.

**30 postdoctoral fellowships** at Universities and Research Centres of Spain:

- **Junior Leader Incoming:** 20 postdoctoral fellowships for researchers of all nationalities that must not have resided or carried out their main activity in Spain for more than 12 months in the last 3 years to conduct a research project at accredited centres with the Severo Ochoa or María de Maeztu distinction of excellence.
- **Junior Leader Retaining:** 10 postdoctoral fellowships for researchers of all nationalities that must have resided or carried out their main activity in Spain for more than 12 months in the last 3 years, to carry out research at any university or research centre in Spain.

A new programme to **promote research and knowledge** in Spain, so that you can continue to advance and improve the outlook of future generations.

**People who drive progress. People who inspire.**
